## Catechists Needed!

With all this talk of summer and the end of PREP, you may think this is crazy but now is the time to think about teaching PREP in the fall. We will need five or six new catechists in the fall for a variety of ages. Our program is also growing. Our needs are real.

Please consider giving your time and talent to the youngest members of our parish. Our program is dependent on people like you coming forward to teach and share their stories. If you would like to know more about teaching a PREP class, please contact Kathy Skinner.

## ***In Our Prayers***

We pray in thanksgiving for all of our dedicated catechists and parents who have made this PREP year a success!

We also pray for:

*Terry Jurkovich, grandmother of Christina Keith*
