

Spelling

This year spelling is part of our reading series. Students will have a spelling workbook; however, I will keep the workbook and give the students pages as needed.

Students will take a pre-test on Monday. These pre-tests will be given back and sent home that same Monday. If a child scores a 90% or higher on the basic words of the pre-test, they do not have to take the spelling test on Friday, or do the practice pages on these words throughout the week. Instead, those students will work on alternate spelling activities during the week.

Unit tests in this series are in multiple choice format where students will be asked to identify the word spelled correctly in a given set of words.

Grades will be taken from unit tests, workbook pages, and graded work.

Unit 1: Words with Short Vowels
ch, sh

Unit 2: Words with Long a and Long e
tch, sh

Unit 3: Words with Long i and Long o
/u/

Unit 4: Words with /u/ and /u/
