It is time to start decorating with your child a box to hold their Valentine Cards. Please send it to school on Monday, February 13th so we can make sure everyone will have one for Valentines Day. I would like to request that your child not address them with their classmates names on them delivery is much easier this way.

Thanks to all our parents for the wonderful help this week during Catholic Schools Week. We had Marley's grandmother working on the February Bulletin Board Silhouettes. And the parents who volunteered in the classroom. You all are FANTASTIC!!!!
