

October 26, 2005

Parents,

We will be going to the mall with the band in December to perform. We are working hard on our Christmas music. I will give you more information when the date and place have been finalized. I would like for all the students to have Santa hats to wear for this performance. Just wanted to give you plenty of warning. If you have trouble finding one, please let me know.

Thanks for your help,

Mrs. Marina
