Dear Parent,

In our effort to improve communication between parents and school, Christ the King School is instituting a telephone broadcast system that will enable school personnel to notify all households and parents by phone within minutes of an emergency or unplanned event that causes early dismissal, school cancellation or late start. This service is provided by SchoolReach, a company specializing in school-to-parent communications. We will continue to report school closings due to snow or weather on local TV stations and will use this system as an overlay to the public announcements. We'll also begin to use the system for non-emergency communications over time, so you can expect to receive general communications and announcements as well.

When used, the service will simultaneously call all listed phone numbers in our parent contact list and will deliver a recorded message from Dr. Gebhardt or another school administrator. The Caller ID will display, 615-292-9465, the main number for Christ the King School. The service will deliver the message to both live answer and answering machines. You will have the option to repeat the message after it plays the first time – this can come in handy in case a child answers the phone and “hands-off” to a parent during the message. No answers and busies will be automatically retried twice in fifteen minute intervals after the initial call. This system requires NO registration on your part on the SchoolReach website. All information and contact numbers are strictly secure and confidential and are only used for the purposes described herein. But we will ask you for the numbers at which you wish to receive SchoolReach calls.

As part of the setup process, we've included the phone numbers we have on record for you, including your primary home phone number, in the SchoolReach system, but we can send messages to as many of your phone numbers as you find convenient. If you would like to include more phone numbers (cell, work, etc) please list them in the space below. For families with two households, designate two home phone numbers so that we can be sure to reach all parents. Also list any email addresses which you'd like to receive email broadcasts. Please provide your current email below even if you now receive CTKS email blasts.

We hope you will find this new system to be an effective way to receive both urgent and general communications from Christ the King School.

Sincerely yours,

Christine Caron Gebhardt
Principal
