

St. Charles Catering Christ the King School Lunches

*****If you have not ordered for the week of August 17th and August 24th please do so by Monday (order forms for Aug 17th are available online*****

Note: Due to severe Peanut Allergies in the school population, the cafeteria will no longer be serving peanut products, including Peanut Butter and Jelly Sandwiches. We apologize for the inconvenience.

A few tips for buying lunches:

Lunches should be pre-paid one week ahead. For example, lunches for August 24th should be ordered and paid for by Monday, August 17th. Please return lunch orders and checks in the Friday folder in an envelope labeled St. Charles Catering. (Sample order form below.)

Milk is included in the Hot/Cold Lunch options. In addition, milk can be purchased at snack and for lunch with the pre-paid lunch orders or can be paid when milk is purchased.

When choosing the Cold lunch option, please list the type: Turkey, Ham, or SALAD.

Snack food and drinks and ice cream cannot be charged. Charging is for emergency situations only when a child forgets his/her lunch or pre-paid orders have not been turned in. In this event, the Cold lunch option will be available.

Checks are preferable - especially when paying for multiple children. Please make checks payable to St. Charles Catering. One check can be written for multiple children. Please indicate how much money for each child and their grade in the FOR space on the check.

Please visit the School Website for the complete August Lunch Calendar.
